

## Exeter Port Authority Local Notice to Mariners

No. 14/2020

2<sup>nd</sup> July 2020

### **COVID 19 RECREATIONAL BOATING UPDATE**

From **Saturday 4th July 2020**, Exeter Port Authority will be open to overnight berthing, for those wishing to stay on board. This is in line with recent Government guidance (published 23rd June 2020) that removes the previous restriction preventing overnight stays away from your own home.

Visitor moorings are available, please call us on VHF Channel 12, using the call sign "Exeter Port Authority", or ring Tel: 01395 223 265 when you have picked up a visitor mooring.

**Please note:** There are no formal visitors' landing points, visitors are encouraged to use the water taxi - call on VHF Channel: 37 or Tel: 07970 918418.

The Port Authority and Exeter City Council will continue to review Government guidance. Please make every attempt to remain safe and plan ahead, therefore reducing the chance of requiring assistance and avoiding unnecessary contact with others. We appreciate your continued support in maintaining safe and efficient port operations, whilst being able to enjoy our beautiful estuary and canal.

Notice 11/20 is hereby cancelled.
